## WHO ARE WE?

We source and import a variety of quality and specialty herbs & spices in bulk on behalf of our customers.

Our international and local suppliers are Halaal and Kosher certified and meet all food quality assurances and FSSC 22000 Regulations.

Our customers range from major industry role players to both medium and small business enterprises.

We are a flexible company who enjoys collaborating and connecting with our customers, bringing innovative, cost saving solutions to the table as well as competitive prices and a personalised customer experience.

We offer **30-day Credit** Terms to qualifying customers\*.

Products are processed and packed to suit the requirements of the retail market. Private Labeling and contract packaging services are also available.

Products are available in various size packs ranging from 100g to 25Kg packs which we offer under our label or white label for customers requiring Private Labeling.

Please contact us for a quotation to suit your requirements.

## SERVICE AREAS

We service the following areas and Delivery is Free of Charge:

Johannesburg North & Surrounding Areas

Johannesburg Central & Surrounding Areas

Johannesburg South & Surrounding Areas

East & West Rand

Midrand

Pretoria & Surrounding Areas

Our warehousing, manufacturing and packaging facility, based in Meyerton, Gauteng, is easily accessible and only a 4-minute drive from the Meyer Street exit off the R59 highway.

We have a qualified in-house R&D Team who are continuously developing an array of new products to meet the demands of an ever-changing market.

Products include a variety of new Herb & Spice blends, marinades, snack dustings, diet and weight-gain shakes.
